

Submitting a new life insurance case?

Select the option that works best for you — and take advantage of John Hancock ExpressTrack®!

John Hancock offers you several choices for submitting new life insurance cases — opt for the method that works best for you.

Plus, when you use one of the submission methods below, proposed insureds ages 18-60, applying for up to and including \$3 million, will be considered for an ExpressTrack underwriting decision (no labs required¹, with decisions in as little as three days²). See page 2 for additional information.

Electronic ticket options³ (term products)

All required forms are incorporated, and no upfront signatures are required; includes a telephone interview with the client to complete medical questions.
