Pricing Changes

Nationwide is committed to carefully managing our life product portfolio to remain the strong, stable carrier you can rely on. The reprice takes effect June 13, 2021 and applies to all new business for the following:

- Nationwide No-Lapse Guarantee UL II
- Nationwide YourLife No-Lapse Guarantee UL (New York)
- The Age 120 version of the ENLG Rider on Nationwide IUL Protector II 2020 – The Age 90 version of the ENLG Rider on this product will not be affected by this reprice.

Applying 7702 and 7702A rates to in-force policies – Nationwide NLG UL II and Nationwide YourLife NLG UL (NY only)

Additionally, the Consolidated Appropriations Act of 2021 that went into effect January 1, 2021, lowered the interest rate assumptions used in the Internal Revenue Code sections 7702 and 7702A calculations. This increases the funding limits for policies to qualify as life insurance and allows for higher premiums relative to the specified amount before becoming a modified endowment contract (MEC). **The 7702 changes will be effective for Nationwide NLG UL II and Nationwide YourLife NLG UL policies issued on or after June 14, 2021 and applied retroactively to policies issued on or after January 1, 2021.**

For Nationwide NLG UL II and Nationwide YourLife NLG UL policies issued from January 1 to June 13, 2021, we will retroactively apply the new 7702A rates and premium testing limits (which determine MEC status). A letter will be mailed to policyowners when their policy is updated. Producers will be informed of the correspondence with their clients. This process may take several months. The ENLG Rider on IUL Protector II 2020 interest rate changes for 7702 were included and communicated with our product changes implemented in April 2021.

Be sure to choose a product that meets long-term life insurance needs, especially if personal situations change — for example, marriage, birth of a child or job promotion. Weigh the costs of the policy and understand that life insurance has fees and charges that vary with sex, health, age and tobacco use. Riders that customize a policy to fit individual needs usually carry an additional charge. Rider names and availability vary by state.
