

Symetra SwiftTerm[™] application process

Fast. Easy. Automated.

One easy process, three paths to success

With SwiftTerm's easy online application process, there are three paths to get the **term life insurance** coverage you need: instant approval, accelerated underwriting and full underwriting.

The process

- Your insurance professional will start the application, then you'll get a link to finish the rest.
- As you answer the questions, we will be determining your eligibility for coverage.
 - If you qualify, you can be covered in as little as 25 minutes with *instant approval*.
 - Sometimes we need to contact you for a little more info, but we'll make it quick with our *accelerated underwriting*.
 - If we need to do a deeper dive into your health history, we'll continue with *full underwriting*.
- Once we have the information we need, we'll send you our offer. If you like it, you can accept electronically, pay online and your coverage starts immediately.

Three potential paths

- 1 Instant approval (coverage in as little as 25 minutes) If you qualify, you can be issued a SwiftTerm policy on the spot.
- 2 Accelerated underwriting (coverage in 24-72 hours) Light underwriting is needed. We may review further and ask a few additional questions.
- Full underwriting (coverage in about 30 days)
 A medical examination is needed. We may also request medical records.

Regardless of your path, we will be communicating with you throughout the process.
