Frequently asked questions

As a financial professional, how do I know if I'm eligible to submit business for this program? Is there a limit to the amount of applications I can submit?

All contracted and licensed financial professionals with Allianz are eligible to submit business for this program. Additionally, there is no limit to the amount of applications that can be submitted. Please refer to the Program Details.

Are there any limitations on death benefit amounts for this program?

Policies must have a minimum base death benefit of \$500,000. Example: a policy with a \$300,000 death benefit and \$200,000 Supplemental Term Rider will NOT qualify for this program.

How will I know if a policy is included in the risk class upgrade?

Eligible policies that meet the program criteria will automatically be considered, and there's nothing additional that the financial professional needs to do. Qualification will be determined at final underwriting assessment.

- **Pending policies in underwriting;** not yet approved or issued: Eligible policies will be approved at best class, and New Business will send approval and request for issue instructions.
- **Approved awaiting issue instructions:** New Business will proactively reach out to the field for policies approved prior to 10/4/2022 (program start date) at Preferred Nontobacco, Standard Nontobacco,¹ and Standard Tobacco¹ to request issue instructions at the underwritten risk class vs upgraded risk class.
- **Out for Delivery or Free-Look:** A request may be sent in to review individual policy eligibility.

Are Table 2 cases that are normally upgraded to Standard eligible to be upgraded to Preferred Plus?

No, they cannot be upgraded to Preferred Plus.

Is there any impact to me in regards to my pending policies to be considered part of this program?

Eligible policies will be considered for this program and target premium will correlate to the appropriate risk-class upgrade.

What are the benefits to my client for being part of this program?

Your client would receive an improved risk class which they might not have qualified for under normal business-as-usual rules.

Can I request a policy to NOT be included in the program?

Eligible policies that meet the criteria will be automatically included as part of this program, and no exceptions to the automatic inclusion will be allowed.
