

SecureCare III rates decrease in FL

Effective February 13, 2023, rates for SecureCare™ III will be reduced by 25 percent across all case scenarios in Florida. SecureCare III is a long-term care (LTC) and nonparticipating whole life insurance policy.

Transition Rules:

- The new SecureCare III rates will be available in Florida on February 13, 2023.
- All pending applications that have an effective date on or after February 13, 2023 will automatically be eligible for and receive the new pricing. This will result in a face amount that is higher than originally illustrated.
- Policies that have already been issued, paid and/or are in-force are not eligible for the new rates.
- SecureCare III's normal backdating rules and age limitations apply. To receive the new pricing, we cannot backdate prior to February 13, 2023.

Please keep in mind that the primary reason to purchase a life insurance product is the death benefit.

Life insurance products contain charges, such as Cost of Insurance Charge, Cash Extra Charge, and Additional Agreements Charge (which we refer to as mortality charges), and Premium Charge, Monthly Policy Charge, Policy Issue Charge, Transaction Charge, and Surrender Charge (which we refer to as expense charges). These policies may contain restrictions, such as surrender periods.

SecureCare III may not be available in all states. Product features, including limitations and exclusions, may vary by state.

SecureCare III includes the Acceleration for Long-Term Care Agreement and Extension of Long-Term Care Agreement. These two agreements are tax qualified long-term care agreements that cover care such as nursing care, home and community-based care, and informal care as defined in the agreement.

These agreements provide for the payment of a monthly benefit for qualified long-term care services. These agreements are intended to provide federally tax qualified long-term care insurance benefits under Section 7702B of the Internal Revenue Code, as amended. However, due to uncertainty in the tax law, benefits paid under these agreements may be taxable. Please ensure that your clients consult a tax advisor regarding long-term care benefit payments, or when taking a loan or withdrawal from a life insurance contract.

Additional agreements may be available. Agreements may be subject to additional costs and restrictions. Agreements may not be available in all states or may exist under a different name in various states and may not be available in combination with other agreements.

The death proceeds will be reduced by a long-term care or terminal illness benefit payment under this policy. Clients should consult a tax advisor regarding long-term care benefit payments, terminal illness benefit payments, or when taking a loan or withdrawal from a life insurance contract.
