We believe products should be easy to understand and easier to recommend. That's why we continue to improve our term product to maximize its value for clients everywhere:

- Our lower prices put us in the **top 3 75%<sup>1</sup> of the time in monthly premium scenarios and 74% of the time in annual premium scenarios.** (Please note, iGo defaults to annual premium quotes. Be sure to change to monthly premium quotes to see Classic Choice term's most competitive rates.)
- **35- and 40-year term periods** make us one of only three carriers in the market to have level term coverage for up to 40 years.
- [Protective Velocity](#), our suite of digital solutions, makes submission to commission even faster and easier.

## Transition Rules:

- For paper business: applications must be signed and received on or before **March 27, 2023.**
- For electronic ticket business and direct writers: applications must be signed and received on or before **April 10, 2023.**

until the case has been approved.

- New York does not have a rate change, but the plan codes are changing so they will follow the above rules.
