

## Our application submission process in NY will be 100% digital as of July 1

Due to recent New York application filing requirements, the decision has been made to transition our application submission system to a 100% digital/online process. **As of July 1, 2023, Protective will no longer accept physical (paper) applications in the state of New York.**

Paper application numbers: **PL-400R-NY, PL-402-NY, PL-405R-NY, and PL-406-NY** will all be discontinued and removed from our websites for use.

Don't worry, Protective® Velocity's full suite of digital tools are at your disposal to help you submit applications quickly and easily. To help support a smooth transition to our fully digital process, even if dated prior to June 30, **paper applications will no longer be accepted in the state of New York after June 30, 2023.** Only applications submitted electronically through Protective Velocity will be accepted — **NO EXCEPTIONS.**

**If you have any questions about this transition, or need help submitting your first digital application, please reach out to your Protective representative.**

**You can also refer to our FAQs for quick and easy answers to commonly asked questions about the changing process.**
