

MassMutual Tele-CMI and paramed changes begin Sept. 16

Pilot effective through Dec. 31

Samantha Miller, MMSD Life New Business Underwriting Director
Cody Socher, MMSD Life New Business Underwriting Director

Effective Sept. 16-Dec. 31, MMSD Life New Business and Underwriting will pilot Tele-CMI and paramedical exam (paramed) changes for a better term-, whole-, and universal-life insurance underwriting experience and industry alignment.

We will review and assess results after the pilot ends Dec. 31.

Requirement eligibility and changes

In lieu of the existing Tele-CMI process, we are reintroducing the paramed (Part 2) and introducing a new Electronic Inspection Report (EIR) provider for proposed insureds using the following age and coverage amount parameters:

- **Ages 17-60** will use a paramed for amounts of \$3,000,001-\$10 million.
- **Ages 61-70** will use a paramed for all amounts.
- **Ages 71+** will continue to complete a Tele-CMI.

Transition guidelines

- **Applications submitted before Sept. 16:** Require a Tele-CMI, physical measurements, and fluids; individual consideration for a paramed and EIR may apply.
- **Applications submitted on/after Sept. 16:** Require a paramed and EIR; individual consideration for a Tele-CMI, physical measurements, and fluids may apply.
- **Physical measurements, fluids ordered/scheduled before Sept. 16:** Complete physical measurements, fluids, and a Tele-CMI.

Requirements are based on total amount at risk versus current policy face amount.

Note: Disability income (DI) insurance and concurrent (concur) DI and Life applications will continue to follow the DI Tele-CMI process.
